Wylve Valley Art Trail Saturday 3rd – Sunday 11th May 2025

Welcome to the 13th Wylve Valley Art Trail, a 9-day festival of visual art and craft in south-west Wiltshire. Visit open studios and workplaces, group exhibitions and galleries. Meet and talk to artists and craftspeople, maybe purchase a piece of original art!

Following the Trail This map gives an approximate location for each venue. All listings in this guide have directions from a main road. There is also a [///what3words](http://www.what3words.com) location code for each venue, find out more and download the app at www.what3words.com.

Look out for the yellow trail marker signs as you get close to each venue.

Most venues are open daily from 10.30am – 5.30pm, 3 – 11 May, unless otherwise stated under 'OPENING VARIATIONS'.

Evening Openings Where you see this symbol, the venue is open until 8.00pm on the stated date/s. And look out for neighbouring venues also open late!

Buying Art Much of the art is for sale and many artists and craftspeople will work to commission. However, not all of the venues take credit cards, so if you're planning to purchase, be prepared to pay by BACS, or bring a cheque book or cash.

If you'd like to follow the trail by bike, much of it coincides with, or is close to, the Wiltshire Cycleway. For details, go to: www.sustrans.org.uk/find-other-routes/wiltshire-cycleway.

Venues showing this symbol are accessible by wheelchair.

Details are included if there are any access difficulties.

Venues showing these symbols offer refreshments.

Look out for this symbol for **takepART** activities (demonstrations, workshops, talks, workshops and hands on sessions). **See list in the index.** NB you may need to book & pay a fee for some activities.

Where you see this symbol enquire about classes, workshops and courses taking place beyond the Art Trail period.

www.wvat.co.uk All the listings in this guide are also on the Wylve Valley Art Trail website. Find a QR code on the back of this guide. You can follow links through to our social media pages for updates and lots more images.

Download the **Wylve Valley Art Trail App**:

Disclaimer All information in this guide is correct at time of printing and is based on details provided by each venue. The organisers of the Wylve Valley Art Trail, participating venues and artists cannot accept liability for any loss, damage or injury sustained by any member of the public while visiting any venue. The public do so entirely at their own risk.

Wylve Valley Art Trail celebrating 25 years!

This year marks a quarter of a century since the Wylve Valley Art Trail was conceived in 2000 as a framework for visual artists and makers living and working in this area to bring their work to a local and wider audience. After much research, funding applications, endless meetings and planning, our small organising team brought the first Wylve Valley Art Trail into being in May-June 2001 (see below the guidemap for our first event, designed by Jane Humphries)

From the start we were strong in our desire for an event which was all- inclusive, non-selective, artist- run and embracing the work of long established artists and makers, as well as those just starting out on their creative journeys. I'm so pleased that in this 25th year that original ethos still holds firm.

On behalf of the WVAT organising team, we hope your own creative journey around the visual arts of south- west Wiltshire is stimulating and enjoyable.
